August 2nd, 1923.

Dear Mr. Kelsey:

Thank you for your letter of the 26th and for your thought of me in connection with the photographs taken on our trip. I shall be very glad to have them but, of course, there is no reason for haste.

I have been so rushed since I returned that I have had but little opportunity to think of the good times we had.

With greetings to yourself and to your son.

Very sincerely,

Albert Kelsey, Esq.,

Dear Mr. Kelsey:

I am just in receipt of a letter from Theokritis Glarides of Mont Yviron. You will recall this Monk who was in charge of our entertainment while we were at this Monastery - the one with whom your son did some shooting.

He wrote to thank me for the beef cubes which I sent back to him from Dafni. He further says that he has been operated on for appendicitis at Salonique whither he was taken after a diagnosis of his case by a physician who chanced to be visiting the Monastery.

While at Salonique he got into touch with his mother and sister (?) who were among the refugees there, and he has written to ask me to try to locate his brother here in New York.

I am enclosing a card which he sent to you, and thought that you might be glad to have this word as well as his greetings which he asks me to convey.

Trusting this will reach you in good health, I beg to subscribe myself

Very truly yours,
